

Stars in our schools

Friday 25 November is UNISON's annual celebration 'Stars in our Schools'.

On this day we recognise the valuable role *all* school support staff play in making our school communities what they are.

So whether you're a cleaner, lunch time assistant, cooks, caretaker, teaching assistant, receptionist, administrator, site manager or anyone else who works in a school... Celebrate. You're all stars to us!

Add the details of the event at your school below; When? Where? Who's organised it? Do people need to bring anything?

For more ideas on how to get involved & resources head to...
